Subject: Valuable comment

Dear Dr. Das

Thanks for your e-mail seeking comments on your ideas and implementation of it on the 'Hybridization' and 'IUPAC nomenclature of Bicyclo and Spiro compounds'. First of all, I congratulate you for your so innovative ideas which will help both undergraduate and post-graduate students.

Go ahead and make more contributions towards the understanding of Chemistry for the students.

Best of luck.
Mahammad Ali

Department of Chemistry
Jadavpur University.

'CONGRATULATIONS for your great discovery, which will be helpful for students for easy learning of 'Hybridization' and 'IUPAC nomenclature of Bicyclo and Spiro compounds' in Undergraduate and also in Post-Graduate level. I circulate these through whole of the department and order to follow these new methodologies. Keep well and go ahead'.
