Subject: Re: Two new Innovations of Dr. Arijit Das

Dear Dr. Arijit,

First of all, I would like to congratulate you on your great achievement. I have gone through your work. I am very much impressed from you for your achievement. In fact, I never thought of you so high. I was surprised from the innovative contribution that you have made in the field of chemistry. I am sure that your exciting contribution would go in the long way to help to the students of chemistry who would choose the subject as their life carrier.

Let me congratulate you once more.
With best wishes.
