Subject: RE: Most Valuable comment

Dear Dr. Das,

Thanks for your e-mail seeking comments on your ideas to reach students on the 'Hybridization' and 'IUPAC nomenclature of Bicyclo and Spiro compounds' in a very simple way . I appreciate your efforts. I wish you 'Good luck' in the implementation of these ideas in teaching undergraduate students.

With best wishes,

Dr. R N Mukherjee

Director and Professor of chemistry

Indian Institute of Science Education and Research (IISER) Kolkata
