

Tripura Chemistry scholar wins international award

■ NEC Report

Agartala, Nov 20: Tripura's renowned chemistry scholar Dr Arijit Das wins World Championship-2018 in chemical education (Innovative Mnemonics) out of 86 countries of the world and conferred prestigious 'Father of modern Chemical Education' (Innovative Mnemonics) and 'Lifetime Fellow' by the US-based International Agency for Standards and Ratings (IASR). The purpose of the award is to identify brilliant scientists and academicians around the world through World Championship. Dr Das, who has innovated 19 time economic teaching methodologies and invented 39 formulae in the field of Organic and Inorganic Chemical Education within the period (2011-2018), recognized and indexed by the top class universities,. The IASR also declared him as a 'Lifetime Fellow, Directorate of Chemical Science'. The authority of IASR had contacted Dr Arijit Das to request him for sending his CV and then finally decided to confer on him the prestigious title after perusing his scholarly article in the 'World Journal of Chemical Education' published by Vinh university, Vietnam, jointly sponsored by Vietnam and USA.
