

## American Chemical Society recognizes inclusion of Dr Arijit Das's personal data in online 'Wikipedia the free encyclopaedia' site

By Our Correspondent

**Agartala August 21 ,2019** : The prestigious American Chemical Society (ACS) has acknowledged the inclusion of Tripura's world famous chemist Dr Arijit Das's personal details and achievements in the popular online information site '**Wikipedia the free encyclopaedia**'. Ms Emma Moore , chief of ACS Member Services, has informed Dr Das of their knowledge of inclusion of his details in the '**Wikipedia**' and congratulated him for this.

In a mailed message Emma Moore has informed Dr Das " we can however confirm that your membership is in good standing and appreciate the opportunity to read about your accomplishments". She has also requested Dr Das to let the ACS know if the organization "**can be of further assistance**". The mail has arrived from the ACS's online site of '**www.acs.org**'. Dr Arijit Das has expressed his satisfaction and gratitude for the mailed message from the ACS.
