

## Congratulations and tributes pour in still on Dr Arijit Das from world famous bodies of chemistry

By Our Correspondent

**Agartala, August 22, 2018:** Congratulation and tributes have continued pouring in from world famous chemistry bodies engaged in research and inventions to Tripura's pride Dr Arijit Das who had invented 19 new methodologies and 39 formulae for the easier study of chemistry through his two decadeold research.

Dr Michael Fry, renowned chemistry scholar actively associated with the prestigious American Chemical Society (ACS) has congratulated Dr Arijit Das and said 'we appreciate your service to the society and the importance of your copyright to the benefit of the chemistry enterprise and its prtctioners'. He said that the ACS look forward to Dr Arijit Das's future contributions and continued success.

Similarly, Dr P. P. Mathur , celebrated chemistry scholar, has expressed the hope that Dr Arijit Das will be doing more inventions, while congratulating him on his copyright. Dr Rahul Bhattacharya, executive officer of the Indian Chemical Society has described it as a matter of privilege to have Dr Arijit Das as member and wished him all success in future. Likewise, associate professor Cao Cu Giac (Phd) of Vinh university's 'School of Natural science' has informed Dr Arijit Das of the publication of his article. He said 'your contributions in the article have greatly boosted the teaching of chemistry' and expressed the hope that Dr Arijit Das will come out with more researches in future.

Dr Arijit Das' s newly invented 19 methodologies and 39 formulae have recently been copyrighted in his favour by the concerned department of the government of India.
