Dr Arijit Das conferred copyright and recognition from government of India for his inventions on Chemistry

By Our Correspondent

Agartala August 09,2018 : For the first time in the history of Tripura a professor of Chemistry has secured recognition of his inventions through copyright from the government of India. **Dr Arijit Das**, a world famous scholar of chemistry from Tripura, who had devised altogether **19 new methodologies and 39 formulae** for easy study and understanding of chemistry was recognized earlier by top class universities of the world like **University of California, American Chemical Society (ACS) , American Institute of Science (AIS), Open Science Research Society USA, Indian Chemical Society (ICS) and African Chemical Society (ACS)**. His works were published by world famous journals on chemistry from four continents,Asia,Europe,North America and Africa of the world.

It was on December 6 that **Dr Arijit Das's** inventions had been sent to the copyright office of government of India by **Sri Ramkrishna Bhattacharjee**, librarian of Ramthakur College at his own initiative. The copyright office of the government of India , attached to '**Department of Industrial Policy and Promotion**' under union ministry of commerce and industry and the union ministry of human resource development put Dr Arijit Das's invention of **19 methodologies and 39 formulae** to scrutiny for a period of nine months. A long questionnaire had also been sent to Dr Das by the authority for further clarification. After being satisfied on all counts the Deputy Registrar of Copyrights, government of India finally sent the official Copyright to Dr Arijit Das today, bearing registration number of L-

77140/2018. Many reputed chemistry scholars of the country have expressed their joy and satisfaction over the official recognition in the form of copyright granted to **Dr Arijit Das** by the government of India and congratulated him.
